Announcement of the Yeosu Academy of the Law of the Sea 2026

July 1, 2026

Dear Sir/Madam,

The Korea Maritime Institute is pleased to announce that it will host the *Yeosu Academy of the Law of the Sea 2026*, an official development assistance (ODA) program of the Republic of Korea, dedicated to strengthening ocean governance capacity in developing countries.

The 13th session of the Yeosu Academy will take place in Yeosu, South Korea, from October 12 to 23, 2026. This intensive two-week program is open to government officials, researchers, ocean policy professionals, as well as professors and graduate students from developing countries with a keen interest in ocean affairs.

In addition to offering academic and practical training on the modern law of the sea and key international and regional maritime issues, the Academy also aims to build lasting professional networks among participants.

The application period is from July 13 to August 14, 2026.

For more information, please visit our website : <http://www.yeosuacademy.com>

If you have any questions, please do not hesitate to contact Ms. Soyeon Kim. Her contact details are provided in the attached brochure.

Participants are selected on a competitive basis. We would greatly appreciate your support in promoting this opportunity and encouraging qualified candidates from your country to apply.

Sincerely,

Su Jin Park
Director, Senior Research Fellow

KOREA MARITIME INSTITUTE

YEOSU ACADEMY OF THE LAW OF THE SEA 2026, THIRTEENTH SESSION YEOSU, REPUBLIC OF KOREA

The **Yeosu Academy of the Law of the Sea** is a key initiative under the **Yeosu Project**, which carries forward the legacy of **EXPO 2012 Yeosu Korea** and the principles of the **Yeosu Declaration**. The Academy is designed to provide education and training on ocean affairs to participants from developing countries, helping them address pressing maritime challenges.

This intensive two-week program is tailored for government officials, researchers, and other professionals involved in ocean policy-making, as well as professors and graduate students from developing countries who are interested in ocean governance. In addition to capacity-building, the Academy seeks to foster a global network of experts and scholars in the field of ocean affairs, promoting international cooperation and the development of intergovernmental policies.

Through this program, participants gain a comprehensive understanding of the modern law of the sea and are exposed to key international and regional issues concerning the ocean.

Application

- The Yeosu Academy welcomes applications from individuals from developing countries who are engaged in maritime-related work, including :
 - Government officials, researchers and professionals working in maritime-related organizations ; and
 - Professors or graduate students with an interest in ocean affairs and/or the law of the sea.
- The application period is from **13 July to 14 August 2026**.
- Prospective applicants must submit their applications through the online application system at :
 - <http://www.yeosuacademy.com/join/application.php>
- Please carefully read the guide to apply on the Academy webpage and ensure that all required documents are submitted.
- Acceptances will be made on a rolling basis.
 - Early submission is highly encouraged.

Financial Support and Accommodation

- All participants will be assigned to share a twin room with another participant. Participants who wish to stay in a single-occupancy room must notify the secretariat in advance and will be required to pay an additional fee.
- Breakfast and refreshments during the Academy courses will be provided to all participants.
- There are no registration or tuition fees for courses at the Yeosu Academy.

Program

- Courses will be held in seminar rooms at Yeosu Youth Maritime Education Institute.
- The program of the Yeosu Academy is made up of two parts. The first week provides an overview of the basic concepts of the law of the sea and ocean policy. The second week focuses on the implementation of the international law of the sea and other related practical issues based on the knowledge acquired during the first week.

In addition, workshops are also organized to provide an in-depth understanding of current international and regional issues.
